

1 Q. How many current Hydro employees are:

2 a. not users of Hydro owned or leased vehicles. How has this number of
3 employees changed from 2003 to 2005 and how is it projected to
4 change in 2006 and 2007;

5 b. users of Hydro owned or leased vehicles. How has this number of
6 employees changed from 2003 to 2005 and how is it projected to
7 change in 2006 and 2007.
8
9

10 A. a. None. All employees may from time to time have a need to use Hydro
11 owned or leased vehicles. This isn't expected to change in future.
12

13 b. Any employee could be required to use a Hydro owned or leased
14 vehicle. This is not expected to change in the future.
