

1 Q. With regard to the response to CA 7 NLH, what role would Hydro play in the
2 development of Lower Churchill hydro project and the large-scale wind
3 generation projects in Labrador? What recent expertise does Hydro have
4 with regard to these technologies?

5

6

7 A. The Lower Churchill Project and any large-scale wind developments in
8 Labrador will be handled through Hydro's non-regulated business units.
