

1 Q. With regard to the Haynes/Henderson/Cater evidence (page 35, lines 7 to
2 13), when will the work on the Wabush Terminal Station be completed?

3

4

5 A. The work associated with TwinCo's synchronous condensers, as outlined in
6 the Haynes/Henderson/Cater evidence (page 35, lines 7 to 13), at Wabush
7 Terminal Station is planned to be completed in 2007.
