2 Based on the consultant's knowledge of the experience in other jurisdictions, please  
3 provide:

- 4 (a) A list of all likely participants in an integrated resource plan in this Province;  
5 (b) A representative budget for Hydro's participation in a comprehensive  
6 integrated resource plan;  
7 (c) A similar budget for the participation of all other necessary parties, including  
8 but not limited to, the Board and NP; and  
9 (d) A time schedule for planning for, and completion of, such an IRP.

10 A. Mr. Bowman expects that an IRP would include participation of Hydro,  
11 Newfoundland Power, the Board, Industrial Customers, the Consumer Advocate  
12 and the public. Mr. Bowman has not prepared a representative budget or schedule,  
13 noting that it would depend on the framework and schedule for the study that he  
14 recommends Hydro prepare (page 32, lines 12 to 14 of his Pre-filed Evidence).
