

1

2 **QUESTION:**

3

4 Further to the response to NLH 33 IC, please indicate the timeframe and costs associated with  
5 completing the 2006 BC Hydro Integrated Electricity Plan issued in accordance with the British  
6 Columbia Utilities Commission Resource Planning Guidelines (2003). Please file a complete copy  
7 of the 2006 BC Hydro Integrated Electricity Plan, Volumes 1 and 2 and all appendices.

8

9 **RESPONSE:**

10

11 The complete 2006 BC Hydro Integrated Electricity Plan, including appendices and errata is  
12 available at the following web address (confirmed November 17, 2006):

13

14 <http://www.bchydro.com/info/epi/epi43498.html>

15

16 Messrs Bowman and McLaren do not have knowledge of the costs or timeframe required by BC  
17 Hydro to complete the 2006 Integrated Electricity Plan.
