5 A. According to Newfoundland Power's (NP) response to CA – 9.0 NP (b)(iv), NP provided
6 Hydro with a load forecast in April 2006 for the forecast period 2006 to 2011.
7 Consequently page 9, line 11 of our report should reference “....Newfoundland Power's
8 operating load forecast provided in 2006....”.
