

1 Q. In reference to Request for Information NP-10 NLH, for the Transmission and
2 Distribution Department, provide a breakdown of system equipment and
3 maintenance costs by function (i.e. generation, transmission and distribution)
4 by year for the period 2002 to 2007 forecast. (Finance and Accounting
5 Evidence, Schedule I, page 10 of 10, line 9)

6
7
8 A. The allocation factors developed for the Cost of Service are based on a
9 department's total costs, and are not determined separately for each
10 component. The requested information is therefore unavailable.
