

1 Q. Provide an explanation of why Hydro is unable to complete an update of the
2 annual average hydraulic production for the year ended 2005 using the
3 spreadsheet methodology, and as a consequence is not able to reconcile the
4 differences as requested in IC-130 NLH.

5

6

7 A. Please see IC 130 NLH 1st Revision – November 2, 2006.
