6 A. Please refer to response to NP 75 NLH regarding rate design testimony of
7 Robert Greneman within the past 20 years. Other Stone & Webster
8 consultants have testified on rate design during the past 10 years, including
9 testimony on behalf of the New Jersey Board of Public Utilities (regarding
10 Rockland Electric); Terasen (BC); and rate unbundling, real time pricing and
11 impact on price signals on behalf of Boston Edison (N-Star). Details
12 regarding other rate-related testimony by Stone & Webster consultants within
13 the past 10 years are not available, as the individuals involved have either
14 retired or are no longer with the firm.
