

**CA 18 NLH**  
**Application for Approval of Recovery of Costs**  
**of 1% Sulphur Fuel through the RSP**

---

**Page 1 of 1**

- 1 18. With reference to the correspondence from Derrick Maddocks, Director of the  
2 Department of Environment and Conservation to Frank Ricketts of Hydro dated  
3 February 9, 2006 (referenced in response to CA - 5 NLH), please  
4
- 5 a) provide a copy of the "guidance document" referenced in the third  
6 paragraph thereof, together with such other guidance documents that may  
7 be referred to within the aforesaid "guidance document";  
8
- 9 b) indicate whether Hydro has considered achieving compliance "through the  
10 use of approved compliance monitoring in areas of exceedances" as  
11 referenced in the third paragraph of Derrick Maddock's aforesaid  
12 correspondence.
