6

7    A.    In 2004 an upgrade of the card access security system was completed for  
8           the main office and support facilities at our Stephenville, Whitbourne and  
9           Bishop's Falls locations at a cost of \$50,000. The 2004 upgrade included  
10          card readers for the main entrance door at all three facilities and the  
11          motorized gates at Stephenville and Whitbourne.
