

1 **B-105 Microwave Quad-Diversity Upgrade, \$114,200**

2 Q. Are there other NLH microwave areas that are experiencing problems similar
3 to those in the Square Pond Hill/Sunnyside area?

4

5

6 A. The microwave radio link between Square Pond Hill and Notre Dame Hill (on
7 Route 340 to Lewisporte) has experienced similar problems. To a lesser
8 degree similar problems have also been experienced on the radio link
9 between Notre Dame Hill and Sandy Brook Hill (near Grand Falls).
