

1 Q. What would be the costs associated with the preparation of the detailed
2 scope? What would be the results of approval of only expenditure associated
3 with determining the scope in 2007?

4

5

6 A. The preparation of the detailed scope will cost approximately \$30,000.
7 If only the scope is prepared in 2007, the study will be delayed by one year.
