

In reference to Schedule “B”, page 25 of 82 – Distribution System Feeder Remote Control, project cost \$1,200,000:

Q. In 2002, please state exactly how many relays and reclosers were replaced and not provide “approximate numbers”. Please provide locations in all instances.

A. As indicated in the response to PUB 7.1 the Company will have replaced 14 relays and 11 reclosers in 2002. The table below indicates the number of relays and reclosers replaced at each location.

Location	Relays	Reclosers
Glendale	6	-
Hardwoods	5	-
Kenmount	3	-
Wesleyville	-	4
Greenspond	-	1
Trinity	-	2
Hare Bay	-	2
Gambo	-	2
Total	14	11
