

In reference to Schedule “B”, page 50 of 82 – Trunk Feeders:

Q. Please provide a costing of this project from a materials and labour perspective and provide the specific cost of all units to be replaced?

A. The table below summarizes the labour and non-labour costs of each project.

Area	Project	Labour (\$000's)	Non-Labour (\$000's)	Total (\$000's)
Bonavista	MIL-02 Reliability Rebuild	286	242	528
Gander	GLV-02 Reliability Rebuild (Phase II)	175	175	350
Stephenville	LGL-02 Upgrade Line – Rose Blanche	100	100	200
Total		561	517	1,078

The Company does not maintain a detailed unit cost for materials for budgeting purposes.
