

In reference to the Pre-filed Evidence of Ludlow, page 18, lines 16-19:

Q. How many employees are sharing fax machines?

A. The number of employees sharing fax machines varies by location.

The fax machines at district buildings are used for switching orders and time sheets and are typically used by one or two employees. In St. John's offices, fax machines are shared by 10-40 employees depending on their location.
