

In reference to the evidence of Ludlow at page 7:

Q. Please show the historical costs for the past five years of the transmission lines (to be rebuilt).

A. Table 1 below provides a summary of expenditures for the period 1997 to 2001 on the transmission lines indicated as requiring rebuilding in 2003.

Table 1 Historical Costs (\$000s)						
Transmission Line	1997	1998	1999	2000	2001	Total
24L	6	20	0	46	6	78
301L	47	31	50	0	93	221
123L	44	5	0	3	0	52
124L	2	41	53	0	377	473
357L	0	0	0	0	0	0
Total	99	97	103	49	476	824

The proposed expenditure for this category in 2003 will be used to rebuild sections of the transmission line not previously rebuilt or components not previously replaced.
