

1 **Q. Please provide a table showing electricity demand in Canada per province and the**
2 **year over year % change for 2000 and 2001, or whichever years are currently**
3 **provided by the Canadian Electricity Association.**
4

5 A. Attachment A contains a summary of electricity consumption in Canada by province for
6 selected years from 1970 to 2000, as provided by Statistics Canada.
7

8 The statistics by province for Newfoundland and Labrador include both the
9 Newfoundland Power and Newfoundland and Labrador Hydro service territories.

10 Electricity consumption statistics have therefore also been provided which include only
11 Newfoundland Power's service territory.
