

**Major Electrical Equipment Repairs (\$150,000)**

**Q. Provide the historical expenditures referred to on p. 17 of Schedule B for the past five years.**

A. The table below provides a summary of historical expenditures for Major Equipment Repairs for the period 1997 to 2001 inclusive.

Year	Expenditures (\$000s)
1997	168
1998	73
1999	103
2000 <sup>1</sup>	51
2001	137

<sup>1</sup> Actual expenditures for 2000 were approximately \$128,000. The balance in this account was offset by \$77,000 related to insurance proceeds received by the Company for a power transformer that failed at our Bonavista substation in 1999.
