

Network Infrastructure (\$542,000)

Q. How does Newfoundland Power plan its Network and IT infrastructure?

A. Attachment A to the Company's response to NLH-28 provides a copy of a report entitled *Information Technology Strategy For the Period 1999 to 2002*, which was filed with the Board in 1999 in accordance with Order No. P.U. 36 (1998-99). The report outlines the basic principles that continue to guide the Company's investments in information technology.
