5  
6 **Q. In 2002 what is currently expected to be the rate of growth in each of these areas?**

7  
8 A. The table below provides a summary of the expected rate of growth for 2002 for gross  
9 new residential customers in the St. John's and Avalon areas.

10

<b>Area</b>	<b>Forecast New Residential Customers</b>
St. John's	1,270
Avalon	363
