2 **(RE: p. 36 of 82) Meters (\$674,000)**

3
4 **PUB 12.1**

5
6 **Q. What portion of this expenditure for meters is expected to be for customer growth?**

7
8 A. Approximately \$179,900, or 27%, of the expenditure for meters is estimated to be
9 required as a result of customer growth in 2003.
