

**Rebuild Substations, Schedule B, pages 18-19 (\$1,023,000)**

**Q. Was the project the Board approved for Hydro to carry out upgrades to Hydro's TL 214 transmission line considered in this analysis?**

**A.** The upgrades to Hydro's TL214 transmission line were not considered in the development of this project. However it should be noted that the upgrades to Hydro's TL214 transmission line have no impact on the items budgeted in the Rebuild Substations project.
