

Re Personal Computer Infrastructure, Schedule B, pages 76-77 (\$539,000)

Q. Please provide the total numbers of desktop computers and laptop computers used throughout NP.

A. Table 1 below provides the total number of desktop and laptop computers that will be in use throughout Newfoundland Power at the end of 2003.

| Table 1 | |
|----------------|------------|
| Computers | Quantity |
| Desktop | 482 |
| Laptop | 124 |
| Total | 606 |
