

Re Shared Server Infrastructure, Schedule B, pages 78-79 (\$644,000)

Q. Please provide a breakdown by location of the number of staff, consultants, and persons on contract or retainer in the Information Technology department at NP.

A. Table 1 provides a breakdown by location of the number of staff, consultants, and persons on contract or retainer in the Information Services department at Newfoundland Power.

Table 1 Information Technology Department			
Location	Employees	Consultants	Persons on Contract / Retainer
Kenmount Road	38	5-7 ¹	None
Topsail Road	4	None	None
Clareville	1 (temporary)	None	None

¹ The number of consultants varies based on project requirements and includes vendor personnel who perform work for NP periodically from their respective business locations.
