

Distribution - Appendix B [sic, Appendix 2] - Attachment B

Q. Provide the actual lightning caused failure rate in transformers for each of the five years (p.3).

A. Table 1 provides the actual number of transformer failures due to lightning for each of the past five years.

Table 1 Transformer Failures (due to Lightning) 1998 - 2002	
Year	Number of Failures
1998	254
1999	44
2000	22
2001	50
2002	323
Total	693
