

- 1   **Q.     The Acres report says that the Rattling Brook penstock should be replaced in the**  
2   **near future. Please provide clarity as to what was reasonably intended with the**  
3   **wording "the near future".**  
4  
5   A.     The “near future” within the meaning of the SGE Acres report means between 2 and 4  
6   years from the time of the assessment inspection, which took place in October 2003.
