

1 **Consumer Advocate RfI CA-FA-08:** *What is the effect of the change in the full credibility standard on*
2 *the 2014 TPL indicated rate change?*

3 **FA Response to RfI CA-FA-08:**

4 As per CA-FA-01, the TPL indication is 69.7%, assuming 0.0% cost of capital and correcting Exh C-2,
5 using the 3,246 TPL credibility standard. Increasing the TPL credibility standard to 5,410 as per the
6 2013 filing decreases the indication to 61.6%.
