3
4 **Please provide the impact of the high incidence of extreme wind incidents in 2014 in**
5 **terms of incremental costs incurred by NP in 2014.**

6
7 A. The high incidence of extreme wind incidents in 2014 did not materially impact the
8 operating cost associated with restoration of service.

9
10 The annual cost associated with restoration of service for the 5 years ending in 2014 have
11 been relatively stable. The costs are provided in Table 1.
