

- 1 **Q. Further to CA-NP-133, please complete the table as requested.**  
2  
3 A. Newfoundland Power does not have the data required to complete the table and is not  
4 required to conduct research as directed by the Consumer Advocate. Newfoundland  
5 Power observes that much of the data can be acquired from publically available sources.  
6  
7 Further to the response to Request for Information CA-NP-133, Newfoundland Power  
8 has provided information that can largely be used by the Consumer Advocate to populate  
9 the table provided.  
10  
11 Other related information the Consumer Advocate may find useful is publically available  
12 on electric utility websites, energy and utility regulator websites, or on [www.SEDAR.com](http://www.SEDAR.com).
