5 A. Hydro intends to renegotiate each of the other existing capacity assistance  
6 agreements that are set to expire at the end of March 2018. As stated in Schedule  
7 B, page 10 to the Application “further requirements for capacity assistance  
8 renewals with other industrial customers for 2018 and beyond will be further  
9 evaluated after the first phase of integration is complete and in advance of winter  
10 2018-2019.”
