

1 Q. Given the Muskrat Falls Plant has a commissioning date of 2020 why is it necessary  
2 to enter into an agreement at this time that provides for a period that could extend  
3 to five years?

4

5

6 A. The term of the Revised Capacity Assistance Agreement is for 5 years or until the  
7 commissioning of the Muskrat Falls Plant, whichever comes first. The Muskrat Falls  
8 Plant is scheduled to be commissioned in 2020 at which time the Revised Capacity  
9 Assistance Agreement will terminate.
