

1 Q. (Reference 2017 GRA Volume I, page 5.4, 5.2.3) In providing open access to their
2 transmission facilities during the transitioning stage, will Hydro and Nalcor Energy
3 allow Newfoundland Power and Hydro's Industrial Customers non-discriminatory
4 access to the Labrador Island Link and the Maritime Link to purchase energy on
5 wholesale markets off the island of Newfoundland for use on the island?

8 A. Yes. Once an open access transmission tariff is in place, any eligible Transmission
9 Customer will be able to make an application to the Newfoundland and Labrador
10 System Operator for use of the Newfoundland and Labrador Transmission System.
11 However, pursuant to paragraph 14.1 (1)(b) of the *Electrical Power Control Act,*
12 *1994*, any purchases made by Newfoundland Power and the Island Industrial
13 Customers must be exclusively from Hydro.
