

1 Q. (Reference 2017 GRA Volume II, Exhibit 6, page 3) If it is confirmed that a portion of
2 Hydro's overall Transportation assets includes approximately 250 light duty
3 vehicles, how many of these are used exclusively by Hydro management?

4

5

6 A. There are currently 20 light duty vehicles from the fleet assigned to members of the
7 Hydro Management Team.
