

1 Q. **Depreciation**

2 Exhibit 11, page 30 of 628. For account R13 Roads, why is any net salvage
3 recommended if the test is to only establish net salvage amounts for assets that will
4 not be replaced at the same site. Is there a plan for Hydro to decommission and
5 dismantle R13 (road) assets without replacement? If so, would not such assets be
6 subject to an ARO?
