6 A. Table 4-5 provided in Hydro’s Evidence, Section 4.2, presents the components of  
7 Depreciation, Contributions in Aid of Construction (CIAC), and Other. For the  
8 Labrador Interconnected System, there are no amounts for CIAC Amortization,  
9 Other Income and Expense, ARO Accretion and Capital Asset Cost of Service  
10 Exclusions. Accordingly, Table 1 provides only the amounts for Depreciation.
