

1 Q. Further to the response to Request for Information IC-NLH-122:

2

3 Attachment 1 is a copy of Nalcor Energy’s June 23, 2017 project update for the  
4 Muskrat Falls project. At Page 20 of 26, there are Island Interconnected Domestic  
5 Rate Projections.

6

7 Please reproduce the chart and table on Island Interconnected Domestic Rate  
8 Projections to include the years 2016, 2017, 2018, 2019, 2020, 2021, 2022, 2023,  
9 2024, 2025, 2030, 2035, and 2040, excluding any rate mitigation measures.

12 A. IC-NLH-122, Attachment 1 was not prepared by Hydro, nor did Hydro prepare the  
13 rates. As a result, Hydro cannot reproduce the chart and table as requested.  
14 However, Hydro can confirm that the rates presented do not include rate  
15 mitigation.
