**Attention: Ms. G. Cheryl Blundon, Director of Corporate Services  
and Board Secretary**

Dear Ms. Blundon:

**Re: Newfoundland and Labrador Hydro's 2017 General Rate Application**

Hydro, by correspondence to the Board dated September 14, 2018, advised that it intended to file a rate impact update by September 18, 2018. To our knowledge, to date no rate impact update has been filed and Hydro has not advised as to a new date when it can be expected that one will be filed.

The Industrial Customers Group is concerned that, as we are entering the last quarter of 2018, there is considerable uncertainty regarding 2019 rates. We therefore respectfully request that the Board inquire of Hydro regarding its schedule to file its rate impact update.

We trust this is in order.

Yours truly,

Stewart McKelvey
