**Attention: Ms. G. Cheryl Blundon, Director of Corporate Services  
and Board Secretary**

Dear Ms. Blundon:

**Re: 2017 Hydro GRA Compliance Application**

We have reviewed the Compliance Application, and Grant Thornton's report and Hydro's responses to requests for information in respect of same. We have also had the opportunity to review the submission of Newfoundland Power, filed September 5, 2019. Following that review, we can advise that the Island Industrial Customer (IIC) Group have no comment to add with respect to the Compliance Application.

We do confirm our intention to file a detailed claim for costs on behalf of the IIC Group in the General Rate Application, including this Compliance proceeding, within 30 days of the setting of final rates, pursuant to PU 6 (2019).

We trust this is in order.

Yours truly,

Stewart McKelvey
