Ladies & Gentlemen:

**Re: Approval of Capital Expenditures Supplemental to Newfoundland Power Inc.'s
(the "Company") 2017 Capital Budget Application – Rose Blanche Hydroelectric
Plant**

On May 17, 2017 the Consumer Advocate indicated to the Board that this Application
"...appears to be in order." On the same date, Newfoundland and Labrador Hydro indicated it
"...does not have any comments on this matter and supports the application as filed."

Newfoundland Power submits the Board should approve the Application as filed.

Yours very truly,
