

- 1 **Q. Please provide the numbers of substations, by voltages, maintained from each**
2 **operating office.**
3
4 A. Attachment A to this response provides a detailed listing of Newfoundland Power’s
5 substations and associated transmission and distribution voltages sorted by operating
6 (“Area”) office.

**Newfoundland Power Substations and
Associated Transmission and Distribution Voltages**

Area	Substation	VOLTAGES (kV)					
		138	66	33	25	12.5	4.16
St. John's	Broad Cove		√			√
