

1 Q. **Holyrood Overview**

2 At page 6, lines 13-15 of the "Holyrood Overview" section of the Application, Hydro
3 states that "Until the end of the winter 2021, the plant will function as a standby
4 facility and depending on the availability of off-island supply, will operate at some
5 level of base loading." What are the projected levels of base loading of the
6 Holyrood plant to (and including) 2021.

7

8

9 A. Please refer to PUB-NLH-004, Table 1 for additional details regarding the projected
10 levels of base loading of the Holyrood Thermal Generating Station up to, and
11 including, 2021.
