

**2018 Capital Budget Application – Revised Information pursuant to Order P.U. 43(2017) –  
Muskrat Falls to Happy Valley Interconnection Project**

---

1 Q. Please provide any information Hydro has regarding the likelihood that data centre  
2 companies that have inquired about obtaining service in Labrador would maintain  
3 their requests if:

4 a. they were required to contribute to the cost of network additions required to  
5 serve them, or

6 b. They were required to accept contracts under which their service could be  
7 curtailed during peak hours.

8

9

10 A.

11 a. Hydro does not have any data regarding whether or not a customer would  
12 maintain their request if required to contribute to the cost of network additions.

13 b. Hydro does not currently have a non-firm rate available to Hydro Rural Labrador  
14 Interconnected customers. All Hydro Rural customers are provided firm service.
