

**2018 Capital Budget Application – Revised Information pursuant to Order P.U. 43(2017) –  
Muskrat Falls to Happy Valley Interconnection Project**

---

1 Q. Has Hydro raised with the customers and potential data centre customers the  
2 possibility that they might be required to take financial responsibility for a certain  
3 share of the network additions that providing service to them will require? If so,  
4 please describe in detail these exchanges. If not, why not?

5

6

7 A. Please refer to the response for question 6 in “Attachment 2 – Responses to  
8 Labrador Interconnected Group Questions”, submitted by Hydro on March 6, 2018.
