

1 Q. Please explain:

2 a) how the costs of the Labrador Transmission Assets (LTA) in general, and line
3 L3101/3102 in particular are to be recovered, specifying the party or parties
4 that will pay these costs and the party or parties to whom these costs will be
5 paid;

6 b) what role, if any, the NLSO will have in collecting revenues to cover the costs
7 of the LTA in general, and line L3101/3102 in particular.

8

9

10 A.

11 a) Please refer to Newfoundland and Labrador Hydro's ("Hydro") response to LAB-
12 NLH-069(e). Pursuant to Order in Council OC2013-343, the Labrador
13 Transmission Assets ("LTA") costs are to be recovered in full from rates charged
14 to Island Interconnected customers.

15

16 b) In accordance with agreements under which Hydro pays the LTA costs,
17 payments made by Hydro for LTA costs are credited against Newfoundland and
18 Labrador System Operator invoices to Hydro.
