

1 Q. **Reference: Labrador Interconnected System Network Additions Policy, Summary Report,**
2 **Page 8, Lines 13-15.**

3

4 Please provide evidence that supports Hydro's assertion of a level of uncertainty associated
5 with duration of service for customers who do not meet the definition of Industrial
6 Customers in the proposed Network Additions Policy. If Hydro's concern is with data
7 centres/cryptocurrency customers, please explain why other customers should not receive
8 a revenue credit.

9

10

11 A. Please refer to Newfoundland and Labrador Hydro's response to LAB-NLH-104.
