1 Q. **Reference: May 3, 2019 report by Brattle Group, Inc entitled *Embedded and Marginal***  
2 ***Cost of Service Review***

3

4 On Table 1, page 7 (Other) the Brattle Group states “*Specifically assigned O&M charges*  
5 *should be tracked separately for each customer, use of indexed costs as interim basis per*  
6 *settlement agreement*”. Does Hydro agree or disagree with this proposed modification?

7 Please provide justification for your response.

8

9

10 A. Newfoundland and Labrador Hydro agrees with this proposed modification. Newfoundland  
11 and Labrador Hydro is currently tracking specifically assigned operations and maintenance  
12 charges separately for each customer. Please see IC-NLH-020.
