
1 Q. **Reference: May 3, 2019 report by Brattle Group, Inc entitled *Embedded and Marginal***
2 ***Cost of Service Review***

3

4 On Table 1, page 7 (Other) the Brattle Group states “*Hydro establish rider for net export*
5 *revenues; classify and allocate revenues in same manner as Muskrat Falls; establish periodic*
6 *schedule for true-up, with frequency no less than annually*”. Does Hydro agree or disagree
7 with this proposed modification? Please provide justification for your response.

8

9

10 A. Please refer to Newfoundland and Labrador Hydro’s response to PUB-NLH-040.
