

1 Q. Please provide historical output for resource serving Wind PPA.

2

3

4 A. Please see PUB-NLH-003, Attachment 1: Fermeuse Wind Data and PUB-NLH-003,
5 Attachment 2: St. Lawrence Wind Data.

6

7 Both attachments include yearly, monthly, and seasonal tab summaries at the beginning of
8 each workbook. These tabs are followed by yearly detailed tabs with hourly production.

9 The last tabs in the file are working tabs for calculations within the workbook.
