2 **(i) Please provide the citations supporting the assertion made about Manitoba.**
3 **(ii) Did Mr. Brockman investigate the cost of service treatment in other**
4 **Canadian utilities? If so, please provide his findings and conclusions.**
5
- 6 A. (i) Support for Mr. Brockman’s statement that Hydro’s proposal to functionalize and
7 classify the costs of the LIL and LTA in the same manner as Muskrat Falls
8 Generation costs is consistent with the cost of service treatment of similar
9 transmission facilities in Manitoba is found in Mr. Brockman’s evidence in the
10 section titled *Manitoba Hydro Cost of Service Review*, and in the reference
11 sources footnoted therein.¹
12
- 13 (ii) In preparing his evidence for this proceeding, Mr. Brockman did not conduct a
14 detailed review of the cost of service treatment in other Canadian utilities.
